

Fear My Thoughts, The Hunted

I thought those Days
Would help me face
The demons I had called
Tripping away
Only the pair of eyes
Would follow me

A loaded gun
I'm on the run
But I don't know where from
It feels irrationally right
But I am losing
Am I the one who could have done
Everything he was told
A thousand nights i've been awake
Now I am losing my ground and I fall

I am drowning again
See the fear in my eyes
Golden light and shades
Trapped in walls that break
Sinking in the velvet light
Close the eyes
As the walls would break

Too tired to walk
My burning feet
Can hardly feel the ground
I'm dying of thirst
I'm freezing to death
This time - nothing!
Too tired to walk
My burning feet
Can hardly feel the ground
I'm dying of thirst
I'm freezing to death
This time going down

I am drowning again
With fear in my eyes
Golden light and shades
Trapped in walls that break
Sinking in the velvet light
Close the eyes
As the walls would break

Seeing the gates
A thousand times I dreamed of this moment
Tears dried
Fears remaining
How could I have lied?

I am drowning again
With fear in my eyes
Golden light and shades
Trapped in walls that break
Sinking in the velvet light
Close the eyes
As the walls would break
