

Feeder, Bug

Mother Earth can you feed us now feed me now feed me now
Mother Earth can you see us now hold me down hold me down

Revolution revolution revolution revolution

Mother Earth can you feed us now burst the bug be forever loved
Hold me down you can't hold me down break the bones throw your stones

Revolution revolution revolution revolution revolution revolution

You gotta fight it
You can fight it no one else will
You gotta fight it
You can fight it no one else will
You gotta fight it
You can fight it no one else will
You gotta fight it
You can fight it no one else will

Feed me now see me now
Mother Earth can you see us now throw the stones throw the stones

Revolution revolution revolution revolution
Revolution revolution revolution revolution
