

Feeder, Pictures Of Pain

How does it feel
Don't know if I could ever do it
Can't keep my fingers still
I fell once you didn't see it
Face on the ground I'm still
Pray this is not forever
She's like a sacred stone
I'll climb high until I see it
And then I'll let you know about me
How does it feel

Cause lifes lifes not the same
I've got your photograph
It kills me every day

Just want to talk about it
Think about it will you listen
You're like the Mona Lisa I can't find
I love the way you look at me
As I surround myself with
Pictures of Pain

How does it feel
Slapped down wish that I could feel it
Can't pull myself away
Don't think I will ever make it
I'm in the acid rain I'll crack up if I don't see it
They'll have to hold me down both hands tied
They're getting tighter but no-one sees me now

How does it feel it wont fade away
It kills me everyday how does it feel
It fades away it kills me everyday

Just want to talk about it
Think about it will you listen
You're like the Mona Lisa I can't find
I love the way you look at me
As I surround myself with
Pictures of Pain

Do you care if I go I will crack like a bone
Do you care if I bleed
You're the sky you're the sea
I'm alone so alone do you care if I go
I will crack like a bone
When I breathe I will choke
