

# Feeder, Tumble And Fall

All this for nothing  
Yeah yeah yeah  
Praying and hoping, fooling yourself ...  
You know that you can  
Give love a reason  
Give love a chance

We tumble and fall  
Together we crawl  
Forever will be  
Tumble and fall

Heaven's above us  
Yeah yeah yeah  
Living in solice, I'd give you it all ...  
Just for a day, just for a second  
Just for the way ...

We tumble and fall  
Together we crawl  
Forever will be  
Tumble and fall

Life's not the same  
Since that day you went away  
I recall, like the drops of summer rain  
That fell on me  
Come back to me  
Come back to me

Yeah yeah yeah (x3)

We tumble and fall  
Together we crawl  
Forever will be  
Tumble and fall  
Together we crawl  
Forever will be  
Tumble and fall

Yeah yeah yeah (x6)
