

# Feeling Left Out, Going Away To College

Please take me by the hand  
It's so cold out tonight  
I'll put blankets on the bed  
I won't turn out the light  
Just don't forget to think about me  
And I won't forget you  
I'll write you once a week she said  
Why does it feel the same  
To fall in love or break it off  
And if young love is just a game  
Then I must have missed the kick off  
Don't depend on me to ever follow through on anything  
But I'd go through hell for you and  
I haven't been this scared in a long time  
And I'm so unprepared so here's your valentine  
A bouquet of clumsy words, a simple melody  
This world's an ugly place, but you're so beautiful to me  
I'll think about the times  
She kissed me after class  
And she put up with my friends  
I acted like an ass  
I'd ditch my lecture to watch the girls play soccer  
Is my picture still hanging in her locker?  
I haven't been this scared in a long time  
And I'm so unprepared so here's your valentine  
A bouquet of clumsy words, a simple melody  
This world's an ugly place, but you're so beautiful  
I haven't been this scared in a long time  
And I'm so unprepared so here's your valentine  
A bouquet of clumsy words, a simple melody  
This world's an ugly place, but you're so beautiful
