

Fefe Dobson, As A Blonde

I was looking in the mirror, trying to find
A new reflection
Wanna take the road, less traveled in
A different direction
Make some new mistakes
Forget the ones I made
Cry some tears of joy
Dress more like a boy

"And come back as a blonde
Try a different lipstick on
As a blonde, will I get whatever I want?
I'd be ever so enticing, take a lot of icing, never have to watch my weight!
Yeah, when I'm gone
I'm gonna come back as a blonde!"

I wanna I meet myself, as someone else, just to see what it feels like.
Take a walk, on the other side, cause you know that I just might.
Break some different hearts, touch my different parts.
I'm not gonna wait, to mess around with fate.

"And come back as a blonde
Try a different lipstick on
As a blonde, will I get whatever I want?
I'd be ever so enticing, take a lot of icing, never have to watch my weight!
Yeah, when I'm gone
I'm gonna come back as a..."

I'm tainted, I'm tired of being the same yeah
I'm desperate, I'm bored, I'm begging for change
What if you're normal and wanna be strange?
Come back, come back, come back
Come back, come back, come back

"And come back as a blonde
Try a different lipstick on
As a blonde, will I get whatever I want?
I'd be ever so enticing, take a lot of icing, never have to watch my weight!
Yeah, when I'm gone
I'm gonna come back as a blonde!
Wave my magic wand
As a blond, will I get whatever I want?
I'd be ever so enticing, take a lot of icing, never need to wash my face.
Yeah when I'm gone, I'm gonna...
Come back, come back, come back (I'm gonna come back)
Come back, come back, come back (I'm gonna come back)
Come back, come back, come back
As a blonde!
Haha..."
