

Feist, Amourissima

Even though we said that it was all well and done
Even though we said it was time to decide
Those are only words our hearts won't understand

Amourissima mon amour ici bas
Amourissima you used to call me comme a

Drowning out the sound while all our thoughts come to crowd
Closing off the stream in hopes we both stay dry
But feeling makes I through within the rush of you

Amourissima mon amour ici bas
Amourissima you used to call me comme a

On a beau se dire
Que tout est bien et fini
On a beau se dire a le folie sa suffit
On dcouvrir un jour
Quel on est pas guerre

Amourissima mon amour ici bas
Amourissima you used to call me comme a
You called me comme a
