Feist, The Build Up

(Kings Of Convenience - Riot On An Empty Street LP)

Eirik Glambek :

The build up Lasted for days Lasted for weeks Lasted too long

Our hero Withdrew When there was two He could not choose one So there was none

Worn into the vaguely announced Worn into the vaguely announced

Feist :

The spinning top Made a sound Like a train Across the valley Fading Oh so quiet But constant 'til it passed Over the ridge Into the distances Written on your ticket To remind you where to stop And when to get off
