

# Felivers, Never Back Down (piosenka na Eurowiz

You're too foolish, boy  
And you are not enough  
You can't feed me with those rubbish quotes  
I am already full of lies, your lies, your lies

We can make a difference  
Like we always want  
They're flipping our vision  
But I'm not upside down  
Putting the gun to my head  
And forcing to take golden shot  
Cause they don't know  
I'm on the higher, higher ground

We are the lights in the dark  
When we roam through the night  
In the unknown direction.  
Can you be by my side  
When the doubts make me feel  
Like I'm numb, like I'm crazy?  
Don't you worry, boy,  
Don't you worry, child (ooo)  
Never back down.  
It is time to grow,  
It is time to shine (ooo)  
Never Back Down

Połamane serca nie chcą już się bać  
Białe ptaki śpiewają w zardzewiałej klatce  
W głowie usłyszałem już za dużo kłamstw,  
A każda osoba mówi mi inną prawdę  
(Hey yeah yeah)  
Nie wiem kto jest bratem, kto wrogiem  
(Hey yeah yeah)  
Mogę ufać dziś tylko sobie

We can make a difference  
Like we always want (always want).  
They're flipping our vision  
But I'm not upside down (upside down).  
Putting the gun to my head  
And forcing to take golden shot  
Cause they don't know  
I'm on the higher, higher ground

We are the lights in the dark  
When we roam through the night  
In the unknown direction  
Can you be by my side  
When the doubts make me feel  
Like I'm numb, like I'm crazy?  
Don't you worry, boy,  
Don't you worry, child (ooo)  
Never back down  
It is time to grow,  
It is time to shine (ooo)  
Never back down

Don't be scared of night  
When the lights are out,  
When you're falling down  
Keep your head up high  
Don't you worry, boy,  
Don't you worry, child,

When you're falling down,  
When you're falling down

We are the lights in the dark  
When we roam through the night  
In the unknown direction  
Can you be by my side  
When the doubts make me feel  
Like I'm numb, like I'm crazy?  
Don't you worry, boy,  
Don't you worry, child (ooo)  
Never back down  
It is time to grow,  
It is time to shine (ooo)  
Never back down
