

Fernando Ortega, Light Of Heaven

The sky is raining tears tonight
My brother
You know it's hard to sleep
So far from home
The moon has covered up her eyes
My sister
I thought I'd find you here
But I am all alone
All alone

CHORUS:

Light of Heaven
Lord of mercy
Shine the goodness
Of your love upon this day
Till we see you
Till we know you
Till the sorrow
And the darkness fade away
Fade away

I searched the city streets today
My father
The tunnel and the train
The river and the rain
I walked beneath the harbor lights
My mother
And in the shadows there
I call your name
I call your name

CHORUS
