

Ferras, Rush

I kissed your sweet lips
I floated so high
Your eyes looked at mine
The world froze in time
What is this feeling?
I am on cloud nine
Guess I'm still reeling
From your body next to mine

And it's a rush I can't explain
Like you shot something crazy into my veins
And I'm ten feet off the ground
And I don't
Wanna come down
Don't wanna come down

I know you're sleeping
I wish you were right here
'Cause my bed's so empty
I'd hold you so close, dear
And I sang my song to you
Your smile was priceless
What else can I do?
I'm a junkie over you

It's a rush I can't explain
Like you shot something crazy into my veins
And I'm ten feet off the ground
And I don't
Wanna come down

Is it me, or is everything spinning?
I'm wide awake, but I must be dreaming
It's like you're some kind of drug
Try to catch my breath, and see if I'm still breathing
Touch my heart, and make sure it's beating
It's like I'm falling in love

It's a rush I can't explain
Like you shot something crazy into my veins
And I'm ten feet off the ground
And I don't
No, I don't
I don't
Wanna come down
I wanna come down
Gonna come down
