

Ferrick Melissa, Ten Friends

Well I've got ten friends
N' a run down car
I've got three old lovers
That I left at the bar
N' I've got two pairs of shoes
N' five pairs of jeans
Am I getting through
I think I'm falling in love with you
What a life
What a trip
I can't believe I'm making it fit
What a buzz
What a ride
Do you wanna jump inside
There's room for two
There is room
Well I've got ten friends
N' a run down car
I've got three old lovers
That I left at the bar
I've got eighth dreams
Millions of stars
Am I getting through
I think I am falling in love with you
What a life
What a trip
I can't believe I'm making it fit
What a buzz
What a ride
Do you wanna jump inside
There's room for two
There is room for two
Now I've got eleven friends
And a brand new car
N' you love me
You love me
You love me
Yeah I am ... Yeah I am
