

Few Left Standing, No Apology

the truth hurts when you don't want to hear it
plug your ears and cuss the God
take that back your being offensive
because the heart is being challenged
speak your mind just not about Him
stamp censored on my mouth
shut me up anyway that you can
if you don't hear it then it must not be true
I've got something to say and your not going to like it
He is the Way the Truth and the Life
step aside it's our time now
I refuse to contain what I know
no regrets no apology
if you don't know then you won't understand
I will not apologize for what I believe
