

# FictionJunction ASUKA, Everlasting Song (English)

Into the light, I will take you up there  
To your homeland of evergreen..  
Every moment of life, is a quest for the love  
Leave it now in mystery..  
Come for the song of eternity  
You are my everlasting SONG  
I want to be the only one for you..  
We'll never be apart  
Come now fly with me..  
Into the land, I will fly me up there  
To the song of ETERNITY..  
Every wish and desire, leads me back to the light  
Leave it now in mystery..  
My Everlasting Song..  
Come fly with me..
