

Fightstar, Drown

We dive into my bed
And swim under the sheets
We float from wave to wave
Until we reach the shore
Dry your armor
Lay your weapons here
Dry your armor
Lay your weapons here
I drowned in my sleep
Away from everyone
Colours filled my lungs
A better place I am
Dry your armor
Lay your weapons here
Dry your armor
Lay your weapons here
Lets destroy all defenses
Ahhhhhhh
Ahhhhhhhhhhhhhhhhhhh
