

# Fightstar, My Own Summer (Shove It)

Hey you big star  
Tell me when it's over (cloud)  
Hey you big moon  
Guide me to shelter  
Cause I'm through  
When the two  
Hits the six  
And it's summer (cloud)

Come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)

I think God is moving it's tongue  
There's no crowds in the street  
And no sun  
In my own summer

The shade is a tool  
A device, a savior  
See I try and look up  
To the sky but my eyes burn

Come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside) repeat

I think God is moving it's tongue  
There's no crowd in the street  
And no sun  
In my own summer

Come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)
