

# Filter, What Do You Say?

Do you really care?  
It's not like it matters anyway  
What's gonna happen here?  
We laugh about it all long day

Hey, hey what do you say?  
It doesn't really matter  
?cause it's all the same  
Hey, what do you say?  
It just goes without us anyway  
/2x

Everything goes down  
It's always like wasting time  
Nothing is so special  
? chemical in our minds

(Hey, what do you say?)

Hey, hey what do you say?  
It doesn't really matter  
?cause it's all the same  
Hey, what do you say?  
It just goes without us anyway
