

# Final Fantasy Series, Love Will Grow

Love will grow, and nothing comes in the way,  
It's true that love is here to stay;  
All we have to do is to face tomorrow.  
Love will grow; there's no need to run and hide,  
It's true we've always been so slow--  
Should I tell you now what's been burning inside?

Darling, strange days are over,  
Fears and tears, they're all gone.  
This is the very beginning--  
Now, the world is meant for you and me.

Love will grow; there's one thing I'm sure of now:  
I know that we'll get no more sighs,  
Love is to us true-blue, and there's no sorrow.

Love will grow; come what may, we'll never part.  
Let's hold on tight to dreams of ours,  
Even though we've still got a long way to go...

Darling, strange days are over,

See how the day has just broken,  
Oh, so fresh from the world  
See how the brand new sun's coming up--  
Let it now...shine on me!  
Shine on you...shine on me!
