

# Finch, Frail

Kiss the sun  
In your eyes  
Love unveiled  
I can't deny  
Be not warned  
Watch it fall  
Mesmerize...

Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
cause you love me...

Give this one  
On bended knee  
Price to pay  
Please wait for me  
A trial by fire  
A setting Sun  
A love I've won...

Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me...

Inside, I wait  
Inside, I wait

Kiss the sun  
In your eyes  
Love unveiled  
I can't deny  
be not warned  
Watch it fall  
Mesmerize...

Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me...

Inside, I wait  
Inside, I wait

Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me  
you love me  
you love me  
you love me...
