Finch, Once Upon My Nightstand

I'm sleeping to give my head a rest I am so sick of these arguments Alone, once again I'm on my own Just need some time to myself or I'll explode

I know that this is all my fault And one day I will get it right But for now I sit here and remind myself That everything will be okay

Your letter written on a napkin Sits on my nightstand And it reads: This is... This is the last time That I will write to you This is goodbye

I know that this is all my fault And one day I will get it right But for now I sit here and remind myself That everything will be okay
