

Finch, Punk Rock Princess

Punk Rock Princess

Maybe when the room is empty

Maybe when the bottles full

Maybe when the door gets broke down love can break in

Maybe when Im done with thinking

Maybe you can think me whole

Maybe when Im done with endings this can be good

This can be good

This can be good

And you can be my punk rock princess

I will be your gerage band king

You can tell me why you just dont fit in

And how your gonna be something

Maybe when your hair gets darker

Maybe when your eyes get wide

Maybe when the walls are smaller there will be more... space

Maybe when Im not so tired

Maybe you can step in side

Maybe when I look for things that I cant replace

I cant replace

I cant replace

And you can be my punk rock princess

I will be your gerage band king

You can tell me why you just dont fit in

And how your gonna be something

If I could be your first real heart ache

I would do it over again

And you could be my punk rock princess

I will be your heavyweight

I never thought you'd last

I never dreamed you would

You watch your life go past

You wonder if you should

And you should be my punk rock princess

So I would be your gerage band king

You can tell me why you just dont fit in

And how your gonna be something

If I could be your first real heart ache

I would do it over again

And you could be my punk rock princess

I will be your heavyweight

Woo Hoo

You know

You only burn my bridges

Woo Hoo

You know

You just cant let it sink in

You could be my amber wind

You could be my amber wind
