

Finch, With Or Without You

[Originally by U2]

See the stone
Set in your eyes
See the thorn
Twist in your side
And I'm waiting for you

Sleight of hand
And twist of fate
On a bed of nails
She makes me wait
And I'm waiting for you

With or without you
With or without you

Through the storm
We reach the shore
To give it all
But I want more
And I'm waiting for you

I can't live with or without you
I can't live with or without you
ohh..ohh..ohh..ohh
I can't live with or without you
I can't live with or without you

My hands are tied
My body bruised
She's got me with
Nothing to win and
Nothing left to loose

And you give yourself away
And you give yourself away
And you give...
And you give...
And you give yourself away
[x2]

I can't live with or without you
I can't live with or without you
I can't live with or without you
I can't live with or without you
