

# Fingertips, Melancholic Ballad For The Leftlovers

I know I said things I shouldn't say  
Baby, I hope you're ok  
But I also heard things I didn't wanna hear  
And, baby, I'm still ok  
I know that living with me was sometimes hard  
Baby, I know that's true  
But it's not so simple as you think  
I'm feeling the same way too

Please don't say that it's over  
Don't say that it's over  
Or I won't know what to do  
Don't say that you'll be gone  
Or I'll be done - I lost myself inside of you

I know sometimes I might seem so ugly  
And maybe I really am  
I know that I'm not that easy to ignore  
When I'm really mad...

'Cause I just wanna say: I love you  
More than I ever could  
And I just wanna hear you love me too  
Then I'll be fine

Don't say that it's over  
Don't say that it's over  
Or I won't know what to do  
Don't say that you'll be gone  
Or I'll be done - I lost myself inside of you

Please don't say that it's over  
Don't say that it's over  
Or I won't know what to do

Oh don't say... no no no no...  
Don't say that it's over...  
Don't say that it's over now...
