

Finley Quaye, Sunday Shining

Written by F. Quaye and B. Marley

Sun is shining
The weather is sweet yeah
Makes you wanna move your dancing feet
To the rescue
Here I am
I want you to know y'all
Here I stand
As the morning gathers a rainbow
I want you to know y'all
That I'm a rainbow with you

'Cause I'm a hero
Like Robert de Niro
I know an Ital Rasta man
Got to keep I heights
Protection until time
The sun is shining
For you and there's nothing else to do
War is explosive
You got to demonstrate
Don't fight
'Cause the sun is shining
For you
There's nothing else to do

As the morning gathers a rainbow
I want you to know now
That I'm a rainbow with you

Woh yeah test the eye
Tes' the eye....
Fear no evil
Channel like a lion
Channel like a lion
Some say - yeah
Money in my....
One on one
Money in my pocket
But I just can't get your love
Some say - yeah
And the sun is shining
Don't fight
And you got soul
And you're chopping it up aero
For you....
There's nothing else to do

Sun is shining
The weather is sweet
Makes you wanna move
Your dancing feet
To the rescue
Here I am
I want you to know y'all
Here I stand
As the morning gathers a rainbow
I want you to know
That I'm a rainbow with you
As the morning gathers a rainbow

I'm rougher than rough
Rougher than rough
'Cause I'm a rainbow with you

Tougher than tough
Tougher than tough
Channel like a lion - yeah
This is some fashion - yeah
Channel like a lion
