

FINNEAS, I Lost A Friend

I Lost A Friend
like a key in a sofa
like a wallet in the backseat
like an ice in a summer heat

I Lost A Friend
like slip on a red-eye
like money on bad bet
like time when we all about
things that hasn't happened yet

I know be alright
but I am not tonight
I'll be lying awake
and all the mistake I've made

we're playing fights
I know be alright
but I am not tonight

I Lost A Friend
I Lost A Friend
I Lost my mind

and nobody belives me
saing that he don't need me
cuz e made a little too much money
to be 20 and sad
I would be ..
but all I do is write about him
how the hell did I lose a friend I never had
I never had
