

# Fiocco, Straight Till The End

OhOhOooh  
Yeah-eah-eah  
C'mon

I wanna show you  
Come follow me  
Into the night  
Into my dreams  
I wanna show you  
Please stay with me  
I've got to hold you  
So follow me  
Straight till the end

Straight till the end

I wanna show you  
Come follow me  
Into the night  
Into my dreams  
Feelings you don't understand  
Follow me straight till the end  
Follow me straight till the end

I wanna show you  
Please stay with me  
I've got to hold you  
So follow me  
Straight till the end

Straight till the end

Straight till the end
