

Fireball Ministry, Master Of None

Summon evil to the masses
Open season on the weak
Call it out before it passes
Shut it down before it speaks

Rise
To the bottom
Time
To be true
Fall
When its floating
Punish
Now its due

Found its way to the surface
After only
Came completely undone
Fell below the resurgence
Only to be
Crowned the master of none

Simple minded, open-ended
Honest envy, broke and mended

Rise
To the bottom
Time
To be true
Fall
When its floating
Punish
Now its due

Found its way to the surface
After only
Came completely undone
Fell below the resurgence
Only to be
Crowned the master of none
