

Firebird, Dirt Trap

Say that I'm wrong
Well I'm feeling alright
Pretty hard to take

You know I won't care
If you're taking your share
Even when there's pride at stake

In a dirt trap
Wide awake
In a dirt trap, yeah now
Where you'll stay

Well it's always the same
I'm feeling your shame
???

Well there's nothing to tell
Except that I wish you well
???
Alright, now

In a dirt trap
Wide awake
In a dirt trap
Where you'll stay

In a dirt trap
Wide awake
In a dirt trap, yeah now
Where you'll stay
