

# Firebird, Forsaken

Out all night, sleep all day  
???

I don't care whether people say  
That's my only prayer

Now she's taking (taken?)  
Forsaken

You don't know like I know  
About the way she made me ???  
Others had been I'll shave my hair  
But won't take their advice

Now she's taking  
Forsaken  
???  
Just crying

She's taking (taken?)  
Forsaken  
???  
Just crying
