## Fireflight, Serenity

The light behind your eyes Tells e that you've cried Sometime tonight I offer down My hand But without your plans You cannot hide

The white snow falls
I cannot see
On my black heart
In front of me
Say it to me in a way that I can understand
I hear You call
Loud and clear
It melts my heart
Take my fear
Show me how to see the love that brings Serenity

I'm pouring out My love Open up your hands Not big enough You tried to do it all It's time for you to fall You've done enough

Oh my God I've worked so hard I've gotten nowhere
