

# Firewind, Kill To Live

Leader of us all  
Conquers every shore  
He's the king of fire  
He was fearless and strong  
Always standing tall  
He will make you crawl  
You cannot deny it  
He's still the mastermind

His demise, misery for  
His community  
He battled through the land  
And paid his dues

Kill to live, he was forged by fire  
Kill to live, trooper  
Your brave and genius  
Spirit never dies

Enemies will fall  
Blood upon the floor  
Burning on the pyre  
No quarter taken this day  
Tearing down the wall  
The carnage will sprawl  
You can't crusade  
He'll destroy mankind

His demise, misery for  
His community  
He battled through the land  
And paid his dues

Kill to live, he was forged by fire  
Kill to live, trooper  
Your brave and genius  
Spirit never dies

-Solo-

Kill to live  
He was forged by fire  
Kill to live  
His spirit never dies

Kill to live, he was forged by fire  
Kill to live, trooper  
Your brave and genius  
Spirit never dies
