

# First Degree, Tell

Say it's not fair  
Express your doubts  
Complain about this humbug  
Discrimination should not be implicated

Show your fear  
Dare to tell your advice  
Don't be humbled  
Racism should be despised

Tell everybody they laugh in the same tongue  
Tell everybody they cry in the same tongue

Words they use  
Try to confuse  
Yeah, there's no one bigger  
Than anyone in this whole big prison yard
