

First Love, Freaky

First Love's gonna hit ya
Right in your face
Right in your face
One, two, three, kickin'

Girl be my love
Let me discover
Your nasty limit and nothing can stop us now
The way you move it
Is the way I like it (oh yeah)
Cause you're the one
That makes my world go round

Come on and touch me
Let's get nasty
Cause that's the way I was supposed to be
You gotta kiss me
You gotta thrill me
Take your time and do it right
Come on lets do it right girl

(2x) You got my lovin' baby
You make me goin' crazy
You're all I ever ever
Cause you're so freaky

Oh oh...

First Love's gonna hit ya
First Love's gonna get ya
First Love's gonna hit ya
One, two, three, kickin'

You drive me crazy
And I just can't help it
You sexy lady
We gotta keep it goin' on
The way you make it
Is the way I want it
Let's get together
All night long

Come on and touch me
Let's get nasty
Cause that's the way I was supposed to be
You gotta kiss me
You gotta thrill me
Take your time and do it right
Come on lets do it right girl

You got my lovin' baby
You make me goin' crazy
You're all I ever want
Cause you're so freaky

Rap: Oh yeah
Everybody put your hands together
Ah ah aha
There's a party goin' on
Come get freaky with me
Girl can't you see
I wanna lick you up and down
And drive you crazy
You taste like candy ma favourite flavor

Yeah cherry cola ah a light savior (?)
Get freaky with me

(4x) You got my lovin' baby
You make me goin' crazy
You're all I ever ever
Cause you're so freaky
