

# Fischerspooner, Just Let Go

Deep in this anatomy  
Buried  
Deep in this anatomy  
Buried  
All is determination,  
To make it make sense  
All is determination,  
You can find it if you.  
Just let go, just let go, just, let it go  
Stripped to the core.  
Robbed of ration,  
Instinct gives rise.  
Robbed of ration,  
Audacious and precise.  
The body lunges forward  
Defeating time  
You can find it if you  
Just let go, let it go, just, let it go  
Make it make sense  
The violence of the gesture  
Make it make sense  
Cutting through space  
Make it make sense  
The face  
The effort to be made  
The face, the face, the face  
The enemy  
Just let go, let it go, just, let it go
