

# Fishbone, Forever Moore

Well, here I am, like a sardine in a can  
In a foreign land, with the guys in the band  
Uh huh, uh huh  
On the bus, in the back lounge  
You're the only girl that I wanna, wanna be around  
Uh hu, uh huh

--CHORUS--

I just wanna be with my sister Chey'd  
Cheyenne Star Forever Moore

Here on the other side of the world  
When I think about you little girl, in the daytime  
When I walk, walk these narrow streets  
Uh huh, uh huh  
About this time I know you're asleep  
In the evening, into the night  
When the moon shines bright, Star Forever Moore  
Uh huh, uh huh

--CHORUS--

And in our dreams where we both fly  
I'll see you on the other side  
On the other side
