

# Fishbone, If I Were A...I'd

If I believed everything I saw on television  
I'd...

Think like Brady Bunch  
Eat Wendy's for lunch  
Drive a Datsun Subaru and never question much  
Get a 9 to 5, never have a life  
Married at 20 have 2 kids then divorce my wife  
Then I'll be a cop! And I won't be stopped  
Power trippin' robot just chewin' off your ear  
&lt;/lyrics&gt;

==Track 8==  
&lt;/lyrics&gt;  
If I were a society  
I'd...

Take it all apart, look at history  
Majority society just ain't right for me  
This minority so they label me  
Well you can kiss my black ass  
Cos you ain't given' me  
Peace of mind and will, so I want to kill...Politicians and Police  
Hey! &quot;Let's Make A Deal&quot;  
&lt;/lyrics&gt;

==Track 13==  
&lt;/lyrics&gt;  
If I were a dead kernel in the Marine Corps  
I'd...

Buy a bunch of drugs  
Tell a bunch of lies  
Trade the hostages for missiles flyin' in the skies  
People become whores to back the corporate wars...  
Vietnam, Nicaragua. Oh help us my Lord!  
People never see what should really be  
Spreading their disease on them and you and me!  
&lt;/lyrics&gt;

==Track 16==  
&lt;/lyrics&gt;  
If I had a choice  
I'd...

Buy myself a gun, dress up like a nun  
Kill the KKK and consider it some fun  
Get a mob together overthrow the show  
Majority minority all the same as one  
No more politicians, no more crooked cops  
Unity against them they will have a loss

And fuck the meter maids, fuck 'em  
That's just the way I feel man!
