

# Fishbone, If I Were A...I'd (4)

If I had a choice I'd...

By myself, dress up like a nun

Kill the KKK and consider it some fun

Get a mob together overthrow the show

Majority minority all the same as one

No More! Politicians no more crooked cops

Unity against them they will have a loss

And FUCK the meter maids FUCK 'um

That's just the way I feel man!
