

Fisher, So Much

He wants to, I want too much
He says he's taking his time
When I hold him, and he holds back
It hurts me that I don't mind

He has only so much
He can give up for me
I have only so much
That's not enough but
Everything is good
Everything is fine for now

For now

She don't cry, I don't cry
The past won't let us let go
When she holds me, I hold back
If she minds, I'll never know

I have only so much
I can give up for her
She gives only so much
That's not enough but
Everything is good
Everything is fine for now

For now

We have only so much
We can give up for love
We give only so much
That's not enough but
Everything is good
Everything is fine
For now

La da.. da da da da da da

For now
