

Fitzgerald Patrik, In This World

I don't want to be here
In this world.
I don't want to be here
In this world.
But I don't know where I'd go
I don't know where I'd go
So I have to stay alive
Nobody gives me a reason
Nobody tells me why
I'm still hung up
In this exhibition
To live up to standards
To follow all traditions
Abide by the rules
Abide by the rules
Abide by the rules
Abide by the rules
But I don't want to be here
In this world
I don't want to be here
In this world
But I don't know where I'd go
I don't know where I'd go
I don't know where I'd go
I don't know where I'd go
I don't want to be here
In your world.
