

# Fitzgerald Patrik, Smile

Smile for me - smile for me - convincingly  
Smile for me - smile for me - convincingly.  
Don't lie - don't lie.  
Don't lie to me - don't lie.  
Tell me why - tell me why you grin -  
People offer you their hands  
They never offer anything  
Just the world - in a box -  
All signed - all sealed  
Waiting to open it's tiny secrets -  
Just about to be revealed -  
It was a box full of tears and pain.  
Don't lie - don't lie  
Don't lie to me - don't lie  
Don't lie - don't lie  
Don't lie to me - don't lie  
Just smile for me. Smile for me.  
Smile for me. Smile for me.  
Smile for me. Smile for me.  
Smile for me. Smile for me.  
Smile!
