

# Five Finger Death Punch, The Devil's Own

The Devil's own  
Why!?

[Chorus:]

Where did I go wrong? Who was I supposed to be?  
No matter what I've done, you've always criticized me  
Where did I go wrong? Who was I supposed to be?  
When it's said and done, will you remember...

[V1:]

Slap on the wrist, smack in the face  
The family tree, gave me a name and nothing more  
Neglected seed, why!?

[Pre-chorus:]

It's because of you I'm broken  
It's because of you I'm dead inside  
I never asked to be here  
It's because of you I'm godforsaken  
I never wanted this  
It's because of you I'm dead inside

[Chorus:]

Where did I go wrong? Who was I supposed to be?  
No matter what I've done, you've always criticized me  
What did I do wrong? What was I supposed to be?  
When it's said and done, will you remember me?

[V2:]

A happy home, a fairy tale, a broken dream  
Gave me a life, then turned away  
Killed everything, why!?

[Pre-chorus:]

It's because of you I'm broken  
It's because of you I'm dead inside  
I never asked to be here  
It's because of you I'm godforsaken  
I never wanted this  
It's because of you I'm dead inside

F\*\*k!

Father, bastard, I'm the Devil's very own  
Mother, know not, just who I've become  
Father, hate me, for being all your're not  
Mother's baby, I hate what I've become  
I hate what I've become  
I hate what I've become

[Pre-chorus:]

It's because of you I'm broken  
It's because of you I'm dead inside

[Chorus:]

Where did I go wrong? Who was I supposed to be?  
No matter what I've done, you've always criticized me  
What did I do wrong? What was I supposed to be?  
When it's said and done, will you remember me?
