

Five Iron Frenzy, Me Oh My

Me oh my,
There's something happening in the sky.
I see my favorite face.
it chokes me up so fiercely,
And I'm filled with your light,
Soaked with your grace,
I'll dance all night,
I've got to say goodbye.

Chorus:
There's something happening in the sky,
Me oh my!
I recall that I'm yours now I'm feeling fine,
Me oh my, your're mine.

I sense a coming reign,
A hand to hold the nations up in peace.
The sun smiles down and warms our hearts,
It's happening in the sky.
