

Five, We Will Rock You

We're causin' utter devastation
When we step in to the place
And better believe that you can see
We're gonna rock and never stop
And here we go again
Hit you with the flow again
Kick it up the second time around
We'll bring it on again
Shout it out

Buddy, you're a boy
Make a big noise playin' in the street
Gonna be a big man some day
You got blood on your face, big disgrace
Kicking your can all over the place

Singing we will, we will rock you (ha ha)
We will, we will rock you

How about a little something
Get you in the mood
Know what I mean
Watch your back
We got Queen on this track
Bring the feedback and let it drop
As long as Five bring the fun
Queen bring the rock
And they don't stop

Buddy, you're a young man
Hard man sellin' in the street
Gonna take on the world some day
You got blood on your face
You big disgrace
Waving your banner all over the place

Singing we will, we will rock you
We're gonna rock, we're gonna rock ya, baby
Singing we will, we will rock you
We're gonna rock, we're gonna rock ya, baby
Singing we will, we will rock you
We're gonna rock, we're gonna rock ya, baby
Singing we will, we will rock you
We're gonna rock, we're gonna rock ya, baby

Go, go, go, go, go, go, go, go, go, go
Go, go, go, go, go, go, go, go, go, go

Buddy, you're an old man
Poor man pleading with your eyes
Gonna make you something some day
You got mud on your face
You big disgrace
Somebody better put you back in your place
Singing we will, we will rock you
We gonna rock, we gonna rock you baby
We will, we will rock you, yeah
(Repeat x8)
