FKA twigs, Video Girl

Is she the girls from the video? You liar, you liar, you lie

Nineteen, two kids Looking at the game though Tryna make a stand for the big squeeze Please, you don't stand a chance Stop acting like you can The camera's on your pain, but it loves (you) You're looking for the all around good love

So nothing's gonna get in your way You're gonna get yourself drunk all day

Is she the girls from the video? Is she the girls from the video? Stop, stop lying to me Is she the girls from the video? Is she the girls from the video? You liar, you liar, you lie

Nineteen, I see, a body that can move The hardest in the room With a quick switch, kiss All eyes on you now What you gonna do? The camera loves you, ain't that enough? You're craving for the moment you know first

So nothing's gonna get in your way You're gonna get yourself drunk all day

Is she the girls from the video? Is she the girls from the video? Stop, stop lying to me Is she the girls from the video? Is she the girls from the video? You liar, you liar, you lie

There's nothing to say
I don't want to hear about it
So you follow the fame
I heard that the things you're going through
What you gonna do

You liar, you liar, you lie You liar, you liar, you lie You liar, you liar, you lie
