

# Flash And The Pan, Don't Vote

Bye bye mamma, you burnt my toast  
Pack your bags and get off my post  
Told you once, told you twice  
Oo babe gotta pay the price  
Don't take nothing but a sacrifice of soul

So if you can't stand chains honey, don't vote  
And if you can't stand stains honey, don't vote  
Wanna have your way  
Wanna have your say, don't vote

Bye bye mamma, you pulled my blind  
Took my money and took my time  
Told you once, told you twice  
Oo babe gotta pay the price  
Don't take nothing but a sacrifice of soul

So if you can't stand the rules honey, don't vote  
And if you don't like fools honey, don't vote  
Wanna fly your kite  
Gotta do it right, don't vote  
Don't vote

Bye bye sugar, you filled my cup  
Turned me over and hung me up  
Told you once, told you twice  
Oo babe gotta pay the price  
Don't take nothing but a sacrifice of soul

So if you can't brown nose honey, don't vote  
And if you can't touch your toes honey, don't vote  
And if you take a shot  
You might hit that spot, don't vote

Wanna fly your kite  
Gotta do it right, don't vote  
Don't vote  
Don't vote  
Don't vote
