

Flatt And Scruggs, Bound To Ride

Come through ol' Nashville come through a flyin'
Studded bout my little darlin' couldn't keep from cryin'
Honey babe I'm bound to ride don't you wanna go

[fiddle]

Goin' to Atlanta just to look around if things don't soothe me goin' on another town
Honey babe I'm bound to ride don't you wanna go

[dobro]

Workin' on the railroad savin' all I can loojkin' for that woman ain't got no man
Honey babe I'm bound to ride don't you wanna go

[banjo]

Standin' on the corner ten thousand miles from home
Studded bout them good times done past and gone
Honey babe I'm bound to ride don't you wanna go

[fiddle]

If I was a railroad man burnin' all of the time
So I can hear a lonehorn when she goes rollin' by
Honey babe I'm bound to ride don't you wanna go
