

Flatt And Scruggs, I'll Be Your Baby Tonight

Close your eyes close the door don't have to worry anymore

Cause I'll be your baby tonight

Well the talking bird's gonna sail away we're gonna forget it

The big bad moon's gonna shine like a spoon we're gonna let it you won't regret it

Kick your shoes off do not fear bring that bottle over here

And I'll be your baby tonight

[banjo - dobro]

Shot the lights shot the shades you don't have to be afraid

Cause I'll be your baby tonight

Well the talking bird's...

[ac.guitar]

And I'll be your baby tonight
