

# Flatt And Scruggs, Worried Man Blues

I went across the river I lay down to sleep I went across the river I lay down to sleep  
When I woke up had shackles on my feet  
It takes a worried man to sing a worried song  
It takes a worried man to sing a worried song  
I'm worried now but I won't be worried long

[ fiddle ]

Twenty one links of chain around my leg twenty one links of chain around my leg  
And on each link is initial of a man  
It takes a worried man...

[ banjo ]

If anyone should ask you who could sing this song  
If anyone should ask you who could sing this song  
Just say that I'll sing it all day long  
It takes a worried man...
