

Flatt And Scruggs, You're Gonna Miss Me When

Now if you don't want me honey you don't have to stall
My love is not a plaything you will find
Now that you have nothin' with my back against the wall
Honey won't you please make up your mind
You're gonna miss me when I'm gone you're gonna miss me when I'm gone
You'll feel so blue and all alone yes you're gonna miss me when I'm gone
[fiddle - dobro]
Now where were you when I called you on the phone
And your mama said that you were not around
While I was sittin' at home all alone you're walkin' the dog all over town
You're gonna miss me...
[banjo - harmonica]
Now don't you remember when you was my honeybee
And you buzzed around the sugar all night long
Now your cheatin' heart is gonna got the best of me
You're gonna miss me when I'm gone
You're gonna miss me...
