

Fleetwood Mac, I Need Your Love So Bad

Sting's version:

Need some one's hands to help me through the night
Need some one's arms to hold and squeeze me tight
'Cause when the night begins and I'm at an end
That's when I need your love so bad

Need your sweet voice to whisper in my ear
Need your gentle fingertips babe to wipe away my tears
Cause when the lights are low and it's time to go
That's when I need your love so bad

Why don't you give it up
And bring it all back home to me baby
write it on a piece of me paper
So it can be read to me
Tell me that you love me
Cause you're allmost driving me mad
Oh, because I need, I need your love so bad

Need your sweet voice to help me through the night
You don't have to worry baby

Cause you know everything is gonna be all right
When the lights are low and it's time to go
That's when I need your love so bad

I need.... solo

Why don't you give it up
And bring it all back home to me baby
Write it on a piece of me paper
So it can be read to me
Tell me that you love me
Cause you're allmost driving me mad
Oh, because I need, I need your love so bad

Need your sweet lipos to help me through the night
You don't have to worry baby
Cause you know everything is gonna be all right
Listen to my plea bring it to me

Because I need your love so bad
